

My Best Day Ever

First, My Cousin Polito came over to our house just for Friday, Saturday, and Sunday because my other Cousin tk she was playing in New Zealand because they live in Wellington it was Sunday but on Saturday it was my brother AJ.

Then, We went to One Tree Hill to go to the space shop with rocket snacks and food and some space movies. There was a picture of a space suit that has a hole on the head so you can take a picture of you.

Next, We went to my GrandParents house. My Sister and Polito were playing a puzzle IQ but I was tired so I slept on my Nonis bed but then we had to go to my house my Auntie dropped us off.

Finally, We dropped our Aunt, Uncle, and Cousin to the airport to say goodbye because they're going back to Wellington to their own home. We can go to Wellington to their house to spend some time with our family and we can play with all of our Cousins.

Thank you for listening to My Best Day Ever. It was on my holiday because it was the end of Term 3.
