<p>Title</p> <ul style="list-style-type: none"> Hook us in! 	<p>Rippa Rugby</p>
<p>Introduction</p> <ul style="list-style-type: none"> Who was there? Where were you? When was it? Why did it happen? How did you get there? 	<p>In Term 3 the Rippa Rugby Team went to Marist Rugby Field to play Rippa Rugby. To compete in a tournament to verse other schools. The Rippa team was walking out of school to go across the road and walk to our field to start warming up and train.</p>
<p>Event 1 Paragraph 1</p> <p>Begin with a time connective word</p> <ul style="list-style-type: none"> Show what happened in time order 	<p>First, When we walked to our field we had split into two groups one called A group and one called B group. Each team has 5 games to compete against other schools. We started training, passing the ball to one another and running on the ball when needed. After training for the past few minutes we went to our field to play against St Hopes School, Few minutes later after ripping the tags and scoring tries we won our first game.</p>
<p>Event 2 Paragraph 2</p> <p>Begin with a time connective word</p> <ul style="list-style-type: none"> 	<p>Next, After winning our first game to St Hopes we stayed on the field we were playing on and playing against St Patrick's School. I was very surprised at how most of the students were pretty athletic and fast to be honest. Running fast for rips and trying diving on the grass to get a try is way more difficult than it is. Going through all that stuff we won again.</p>
<p>Event 3 Paragraph 3</p> <p>Begin with a time connective word</p> <ul style="list-style-type: none"> 	<p>Then, When we finished playing our 2nd game that we won we went back to our bags and had a little break resting ourselves for our next game. After eating a little bit of food we went back to training doing the same thing passing and side stepping that we need to improve on. When we finished our training we went onto a different field and found out that we were playing against Pt England. Playing against Pt England is one of my goals when I am playing a sport for my school because they win every sport tournament. After a long game against Pt England we won that game as well. We are having a lot of games we have won.</p>

Ending

- How does your recount end?
- "I" statement

I was nervous for 2 of my last games because I am scared if we lose. Our 4th game is against Panama Road School and unfortunately we lost that game and speaking of losing we lost our game against Sylvia Park School but i did have a lot of fun.
